LAUNCH EVENT: Accelerating innovation in Critical Minerals

Saturday 16 November 2024, 18:15 – 19:15 AZT

Industry Solutions for People and Planet Hub | UNIDO (Blue Zone, A7)

This event will present a new, comprehensive market assessment focused on innovation in critical minerals in developing countries. The large-scale market assessment analyzed key markets, technologies, initiatives and projects, enhancing the global evidence base in these areas. The assessment will be launched in the event and published shortly afterwards.

Agenda:

- 18:15 – 18:30 Opening remarks
- 18:30 – 18:50 Market Assessment Launch and Presentation
- 18:50 – 18:58 Questions and Answers
- 18:58 – 19:00 Closing Remarks

Organizers:

- United Nations Industrial Development Organization (UNIDO)
- Columbia University, Columbia Center on Sustainable Investment (CCSI)
